Presentation Agenda

- Vendor Pay Mission / Organization
- Vendor Pay Orientation
- Major Areas of Emphasis

Commercial Pay Business Line

What is Vendor Pay?

- Payment for day to day goods and services
- Encompasses entitlement determination for
 - Non-DCMA administered contracts
 - Transportation payments
 - Miscellaneous payments to businesses and individuals
- Vendor payments made at 22 DFAS locations
 - Using 14 different systems

Magnitude of Vendor Pay (Annual Operations)

- 10 million invoices paid
- 150,000 contractors and vendors
- Approx. \$75B disbursements
- 2100 military, civilian, and local national employees

Current Process

Electronic Commerce Strategy

Strategic Direction

Current

Future

***100%
Paperless
SS***

Moving to a truly electronic environment

Other Initiatives

Strategic Direction

- PowerTrack - more than transportation
- Customer Automation and Reporting Environment (CARE)
- Business Systems Modernization (BSM)
- Transportation Financial Management System - MTMC (TFMS-M)
- Enterprise Resource Planning Systems (ERP)
- MOCAS Rehost
- Virtual Electronic Contracting Office (VECO)

- Internet application for invoicing
 - Allows contractor to enter invoice data and perform significant edit-checks to help ensure the submission is correct the first time
 - Saves time and money: Web Invoicing eliminates postage, snail mail, and much paperwork
 - Invoice/voucher usually enters the DFAS system within 24 hours
 - Flows into Wide Area Work Flow (WAWF)

Wide Area Work Flow (WAWF)

Strategic Direction

- Internet application for receipt/acceptance/ invoice
 - Allows contractor to submit invoices and/or receiving reports
 - Contractors may view history folder to check the status of documents
 - Rejected documents may be corrected and resubmitted
 - Saves time and money: Web Invoicing eliminates postage and excess paperwork
 - Invoice/voucher usually enters the DFAS system within 24 hours
 - Service is free to contractors

Definition of a Proper Invoice

- Required Elements

1. Vendor's Name (Business or Individual)
2. Invoice Date
3. Government Contract Number
4. Description of Goods or Services (use description in contract), include the following:
CLIN / SLIN / ELIN
Quantity Shipped
Price per Item
5. Shipping Terms (if included in contract)
6. Payment Terms (including discount, if offering has or is being made)
7. Taxpayer Identifying Number (unless previously recorded in CCR)
8. Banking Information (unless previously recorded in CCR/CEFT)
9. Contact Name (where practicable), Title, and Telephone Number

Receiving Report (5 CFR Part 1315.9)

- Name of Vendor
- Contract Number or other authorization number
- Description of goods and services
- Quantities received and accepted or services performed, if applicable
- Date(s) goods delivered or services performed
- Date(s) goods or services accepted
- Signature (or electronic alternative when supported by appropriate internal controls), printed name, telephone number, mailing address of the receiving official, and any additional information required by the agency
- DODIG has recommended the use of the DD Form 250 be mandated to document receipt and acceptance
- 5 working days to submit Receiving Report after acceptance
